REQUEST FOR RECONSIDERATION OF DECISION DISMISSING PETITION
(37 CFR §1.324(b)(2))

Honorable Commissioner For Patents
P.O. Box 1450
Alexandria, VA. 22313-1450

Sir:

Reconsideration of the Decision Dismissing Petition (37 CFR 1.324) dated May 11, 2009, is respectfully requested on the grounds that the item missing from the original petition, **a statement from the current inventors, Eric LO and George KU, agreeing to the change of inventorship**, is submitted herewith.

Since the basis for dismissing the petition was the lack of a statement by the current inventors agreeing to the change of inventorship, it is respectfully submitted that all necessary papers have now been submitted, and correction of inventorship to **delete Ruey-Zon CHEN** pursuant to the petition submitted July 30, 2008, is requested.

Respectfully submitted,
BACON & THOMAS, PLLC
